Pursuant to the policy of the Supreme Court Commission on CLE and Specialization, as approved by the Supreme Court of South Carolina, I am requesting that I be granted 12.00 hours of mandatory continuing legal education (MCLE) credit for the 2017-2018 compliance reporting year (March 1, 2017 through February 28, 2018). The MCLE credit is awarded because of my service in the state legislature.

In accordance with the policy, I confirm that I was a state legislator on March 1, 2017.

I understand that the award of CLE credit does not include ethics credit (LEPR), and it does not qualify for specialty credit for any of the four (4) specialties approved by the Supreme Court.

I also understand that to qualify and receive this CLE credit in the future, I must be serving in the state legislature on March 1, and I must submit a written request to the Commission for each compliance reporting period.
